The time of fellowship and personal sharing was so special. Also, the food will again be outstanding! This time together will be a blessing to us and, we believe, to you as well. Thanks so much.

A word in closing and in Christian love.

We have a number of friends in our own immediate area who have stood with us as volunteers and supporters for a long, long time. We would be honored if you would be with us at this conference. Your very presence is a blessing to us and encourages and strengthens us. Please do your best to be with us. Thanks dear friends! You are needed!!

For those in the greater West Michigan area, we are in a spiritual battle. This conference is for people who care deeply about the state of our society. It is very disheartening to bring in top notch people like Pat Trueman, Steve Ensley and Kenny Williams and have only two dozen people show up.

Please pray about this event and stand up and be counted. Help us make this conference an encouragement to boost and strengthen all. We are praying every day for numbers of people to join with us as fellow soldiers in the fight for His righteousness and His children. Thank you.
