Encouraging Christians to guard their hearts

June 2015

Light Wins!

July 31, 2015

Summer Conference

As the Supreme Court heard arguments for and against same-sex “marriage,” a coalition of religious organizations stood on their doorstep and demanded that natural law - God’s design for human sexuality - be respected in that court room.

The leader of that coalition is this year’s speaker at American Decency Association’s Annual Summer Conference, “Light Wins” - Janet Folger Porter.

Janet Porter is the head of Faith2Action, which describes itself as “the launching pad for the pro-family movement.” Her organization networks the many pro-family organizations around the country to do the most

good for the pro-family cause.

Janet initiated the nation’s first Heartbeat Bill (in Ohio, Feb. 2011) to legally protect unborn babies with detectable heartbeats. This effort inspired Arkansas and North Dakota to pass Heartbeat Laws—now the most protective pro-life laws in the nation. Heartbeat Bills are also pending in several other states.

She also hosts a 60 second radio show that airs in 200 markets across the United States.

Janet Porter is a frequent guest on cable news shows and also a sought -after debater.

We’re excited to have this conservative firebrand champion and encourage the conservative effort to make this country all that it can be for citizens in every demographic.

Mrs. Porter is only one of our three exciting guests.

For several years after 9/11, when the Pentagon, the Naval War College,

Quantico, or the FBI needed training on Islamic law and ideology, it was Steven Coughlin that they called on for briefings. That was until a suspected terrorist sympathizer leveraged the Pentagon to effectively fire Mr. Coughlin.

Still an expert in his field, Steven Coughlin is one of the most qualified people in the country to analyze the threat that global jihad plays to America’s freedom and security.

A frequent guest on one of our previous conference speakers - Frank Gaffney’s - radio show, Coughlin speaks around the country, sharing his deep insight into one of the most concerning national security vulnerabilities in our time.

Our final speaker serves on the board of the Timothy Plan with Bill Johnson; he’s the pastor of Carolina Missionary Baptist Church; and he’s an ADA Summer Conference Alumni! Last time Pastor Moore was with us he

spoke on "When God Says
Leave Me Alone." His
message was inspiring and
a poignant reminder on the
power of prayer and Who
is in control. Many of our
audience rated him five
out of five and gave him
comments like this:

"Holy Boldness like that is
seen rarely these days"
"The pastor identified the
central issue of this nation
- its departure from God"

We're excited to have the
passion of Pastor Anthony
Moore with us again as he
reminds us of the power
and sovereignty of God,
even in the troubled times
of our nation.

As we go forward into
uncertain times ahead, the
issues addressed at this
conference will make it
one of the most important
we've ever held! We
would be so blessed if you
could join us, and we think
you would be too!
