Encouraging Christians to guard their hearts

March 2015

We invite you to a marriage retreat this June 5-7, 2015!

by: Steve Huston

Mark your calendars; save June 5-7 for a life-changing event. It's our great honor to bring to you American Decency's Second Annual Spring Conference. We have entitled this year's event: **Bringing Christ Home—Family and the Supremacy of Christ.**

Whether you've been married for many years, fresh out of the "starting blocks," or somewhere in between, this will be a time for you and your spouse to get away, meet with other like-minded couples, and recharge yourselves in the Word of God.

Join us at The Shack in Jugville, Michigan; share the beautiful grounds, the gorgeous log-built buildings, and the blue

water of Robinson Lake with your spouse and other believers, as we listen to and discuss God's glorious view for the family with respected ministry leaders.

Several of last year's conference attendees spoke to us afterwards, with tearful eyes saying, "This was life-changing."

We expect no less this year, believing that God will use this event to bring Glory to His Mighty Name as He does what only He can do – vastly more than we can even ask or imagine!

It's our sincere hope that you'll join us for this time of refreshing and renewal, a time for looking at the Biblical ideal of family where Christ reigns supreme. This will be a time for you and your spouse to set aside your hectic schedules, enjoy one another, evaluate your family goals, and hear from the Word of God about marriage, family, and Christ's call for you to complement one another.

You'll hear from godly men whose passion is to

see your family built up in the Lord and your marriage bonds strengthened with Christ at the center of each individual and at the center of each marriage.

Here are our speakers:

Rev. Bruce Kuiper works with men in an effort to lead their families as God has called them to do. He also promotes and helps couples to see the importance of Biblical complementarianism, where men and women recognize their God-given roles and how each role is important to the other and to the health of the family.

Rev. Ken Smith is a Christian counselor with a real burden for the family. He'll share about heartache and healing; you'll see how the grace of God is manifested in a family where Christ reigns supreme.

Bill Johnson, founder and president of the American Decency Association, feels the weight of societal attacks against the family, as our culture turns further
