Encouraging Christians to guard their hearts

May 2008

The Truth Project

In a recent study, the Barna Research Group revealed a stunning statistic that continues to reverberate throughout the evangelical world. Only 9 percent of professing Christians have a biblical worldview.

Because of this, today's believers live very similarly to non-believers. A personal sense of significance is rarely experienced, we spend our money and time on things that fail to satisfy and we begin to wonder what life's ultimate purpose really is. We are, in short, losing our bearings as a people and a nation.

To counter this slide within the body of Christ, Focus on the Family is launching one of the most ambitious projects in the history of

their ministry—Focus on the Family's The Truth Project.

The Truth Project is a DVD-based small group curriculum comprised of 12 one-hour lessons taught by Dr. Del Tackett. This home study is the starting point for looking at life from a biblical perspective. Each lesson discusses in great detail the relevance and importance of living the Christian worldview in daily life.

We believe this one project represents the possibility for exponential change within the body of Christ, as we expect that thousands will be transformed by this curriculum. As it has been throughout history, God continues to call ordinary people to make an eternal difference in our world.

The first-ever LIVE Truth Project Simulcast Training Event will equip you and

your church to make a Christ-centered difference on our culture by applying God's principles to daily life.

Dr. Del Tackett, author of The Truth Project Curriculum, will teach on:

- * Understanding and living the Christian worldview in daily life

- * Knowing the nature and character of God

- * Recognizing God's design for all of life; work, science, family, government, art, ethics and more

- * Learning how to thrive in a hostile culture

- * Marring our actions to our core beliefs

- * All participants will learn how to lead this life-changing DVD-based small group curriculum to impact their church and community.

"Teach me your way, O LORD, and I will walk in your truth; give me an undivided heart, that I may fear your name."
Psalm 86:11

A friend of this ministry urged me to look into "The Truth Project", thinking it would be a good match for this ministry knowing our love for the Bible, and, therefore, for Truth. As I became acquainted with the project, I realized their counsel was right. It is a good match for anyone who loves Truth.

This is a new day. There are many battlefronts - that's for certain. As never before in my years of ministry, I strongly believe there is a need to shore up the Word of God in the hearts, minds and lives of God's people.

Focus on the Family's "Truth Project" is an extensive nationwide satellite ministry conference on Saturday, September 27 from 9:30 am to 4:30 pm. American Decency Association has been approved to be a host for this powerful all day event. We presently have tickets available and desire to fill our auditorium to its capacity.

It isn't a numbers game,

rather a desire to strengthen believers in their Biblical worldview. Those attending will receive a set of 12 DVDs containing all the messages of the power packed presentations. It is the hope and prayer that those in attendance across America will take these DVDs into their spheres of influence and share them in Sunday School classes, Bible studies, small groups, and families so that tens of thousands will be similarly challenged and strengthened to live lives in submission to the Word of God, recognize the often subtle attacks upon God's Truth within our culture, and defend that Truth.
